UNION WIN:

PAID COVID19 LEAVE FOR CASUALS!

We asked our casual and labour hire members who perform APS work how they were coping with the rapid changes of the COVID19 pandemic and social distancing.

We were overwhelmed with responses from employees telling us about how they would be adversely affected by not having access to paid leave. We used those stories when we told the APSC that they must provide special paid leave arrangements for casual and labour hire staff affected by COVID-19 isolations.

The APSC has responded, advising that paid leave arrangements will now be available for casual APS staff who are required to self-isolate due to COVID-19 exposure, or who contract COVID-19.

It's a serious win for casual workers that will make an enormous difference to workers and their community.

There's more work to do

We will continue to make the case that **labour hire workers** performing APS work must also be provided with paid arrangements. The stories we have been receiving through our online form have been compelling and heartfelt.

We will also work with Agencies as they develop arrangements for casuals in line with the APSC advice.

Membership matters

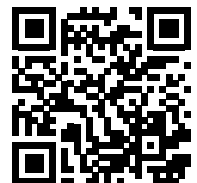

This result was achieved by union members telling their stories and standing up for what's fair.

In these uncertain times and with the situation developing quickly, we all need to look out for one another.

We're using QR codes so you don't have to touch things!

- 1) Open the QR Code reader on your phone, or camera on your iPhone/Samsung Galaxy.
- 2) Hold your device over a QR Code so that it's clearly visible within your phone's screen. It will either automatically open the link or you will have to press the button. *And presto - a weblink!*
