

BINGO

Grab a bingo sheet and call out a category that is on the participant bingo sheet eg. 'is a CPSU member' see who crosses it out, for those who don't give them a membership form 😊 and talk about CPSU membership: our values & benefits. Once you yell out a category, read out the corresponding fact attached and spend time educating/explaining. Whoever gets the first consecutive row (either across a row, column or diagonal they yell out 'BINGO'. Keep going until all the categories are yelled out.
