

# BE COUNTED

## TAKE THE CPSU LABOUR HIRE CENSUS

Workers on labour hire contracts who perform APS work are currently excluded from the APS staff census.

That means tens of thousands of workers are being left out of vital decision making about the future direction and workings of the public sector.

The CPSU has launched our own census to hear from those workers on labour hire contracts who the Government refuses to acknowledge.

## GET INVOLVED

Workers on labour hire contracts deserve respect, job security and equal pay for equal work, and they deserve to be heard.

Take the census today and become a member at [cpsu.org.au](https://cpsu.org.au)
